# ***Guidelines for quality assurance of purchased parts***

**4.2 Receipt of goods**

In deviation from §377 of the German Commercial Code (HGB), Moog GmbH notify the supplier of defects within 14 days upon acceptance of goods or upon discovery of hidden defects.

Upon delivery, Moog GmbH inspects the supply objects only with regard to identity and quantity as well as externally detectable transport damages.

**4.3 Receiving inspection**

## **Definitions**

### ***Non-specific test:***

Tests performed by the manufacturer using a procedure deemed appropriate by him which is intended to determine whether products which are manufactured in accordance with the same product specifications and using the same procedure fulfil the requirements defined in the order.

The tested products need not necessarily to be from the delivery itself.
