

Dear Valued Moog Suppliers,

As a potential user of outside special process services used on components to be shipped to Moog you are required in accordance with the Moog purchase order to use Moog approved suppliers. (found at [www.moog.com](http://www.moog.com)) Moog is supplying you with the list below in an attempt to increase communication in regards to recently disapproved Special Process suppliers. Please take this opportunity to verify that you are not currently using services from Suppliers listed below on components to be shipped to Moog.

If you find that there is a situation that one of the disapproved supplier listed have or will effect quality or schedule please contact your Moog Inc. buyer so appropriate action can be taken.
