components at the time of repair. Moog will end specified above. However, due to circumstances b	

Alternative product suggestions:

Discontinued Product	Alternative Product	Modifications needed or 1 :1 replace ment?
88X Series MaxForce	MG Series Actuator	Contact your Moog Sales Representative to discuss MG Actuator replacement options

Reason for product end of life:

Infrastructure: Maintaining the infrastructure in the production environment to manufacture, assemble and test products is becoming increasingly challenging.

Supply chain: Sourcing of third -party components for our product(s) is severely hampered due to obsolescence of t hose components or sometimes impossible due to the absence of suitable alternative products.
